

# Room for More

• CHILDREN ARE ARRIVING. DOORS ARE OPENING. THE WORK IS GROWING. •

*Enlarge the place of thy tent, and let them stretch forth the curtains  
of thine habitations: spare not, lengthen thy cords, and strengthen thy stakes.  
Isaiah 54:2*

This month was full of miles, meetings, ministry, and reminders that God is building this work in His way!

## HAPPENING STATESIDE:

- **Vacation Bible School | Faith Baptist Church:** Our kids attended VBS and we had the joy of serving alongside our sending church family that has loved and supported us so well.
- **Deputation Continues | Florida:** Visited churches, built relationships, and shared the vision of Marines to Missions. We're thankful for those who listened, prayed, asked questions, and expressed interest in partnering with us, increasing our personal monthly support to 85%
- **Missionary Enrichment Week | Baptist International Outreach:** We received encouragement and continuing education. Shane was grateful for the opportunity to speak on spiritual warfare, a topic close to his heart and vital to faithful ministry.

## HAPPENING IN INDONESIA:

- **New Kids Join:** Six new children from Borneo have arrived and are settling in at the orphanage.
- **Construction:** A gate to the new property across from the school and orphanage is almost complete.
- **Graduates:** 6 of 7 students who graduated high school this year are immediately starting college.
- **Potential Pastor:** We have identified an experienced pastor to help lead the congregation of approximately 300 former Muslim and Hindu converts in Bali, alongside one of the orphanage's recent Bible school graduates. Final qualification reviews will occur when we arrive next month.

## PRAYER REQUESTS:

**Survey Trip | Aug-Sept:** Meeting with all pastors, finalizing foundation paperwork, and meeting orphanage staff and kids.

- **Health and Well-Being:** For church and orphanage leadership, children, and school staff.
- **College Kids:** The 19 students currently attending college on 4 islands to work hard, grow in Christ, and earn good grades.
- **House Funds:** For the remaining funds needed to complete our house in Sulawesi (~\$10k).
- **School Funds:** Funding partner(s) to help complete the new school building project (~\$80k).

Thank you for praying, giving, encouraging, and walking with us as we continue forward!
